To make a withdrawal via ACH you must provide the following details:

- ☐ Bank Name
- ☐ Bank Address (this must include the ZIP code)
- ☐ Your Full Account Name (as it appears on the statement)
- ☐ Your Bank Account Number
- ☐ Fedwire / Routing Number
- ☐ Amount you wish to withdraw
- ☐ Must have minimum balance of \$50
- ☐ Must have wagered last deposit and any applicable bonus in full*

Wire refunds will be processed within one business day and so should be in your bank account within 4 business days (Please note that weekends and Bank Holidays are not considered business days by our service provider).

Bank of America Notice	The Routing number for ACH withdrawals SHOULD NOT begin with '026' s
Charges	You may incur Bank charges on ACH withdrawals. We will refund these charges
